Chip,

Attached please find a pdf version of a letter from the LWG in which we agree to provide direct funding of certain NOAA costs associated with the Portland Harbor Superfund Site. The letter was also addressed and mailed to Ms. Alyce Fritz (NOAA), and Mr. David Charters (EPA). However, I do not have email addresses for Alyce or David, so could you please forward a copy of the pdf file to them (and cc me)?

<<LWG Ltr NOAA-EPA re NOAA Direct Funding Request (04-20-06).pdf>>

Thanks,

Jim McKenna
